NSW GOVERNMENT
Department of Planning

Date duly made: 5/6/09

Project application no. 09-0110

1. Before you lodge

This form is required to apply for the approval of the Minister to carry out a project to which Part 3A of the *Environmental Planning and Assessment Act 1979* (the Act) applies.

Before lodging this application, it is recommended that you first consult with the Department of Planning (the Department) concerning your project.

A Planning Focus Meeting may need to be held for this project involving the Department, relevant agencies, council or other groups identified by the Department. If a Planning Focus Meeting is held, the Department will issue the Director-General's requirements for the Environmental Assessment following the meeting.

Disclosure statement

Persons lodging applications are required to declare reportable political donations (including donations of or more than \$1,000) made in the previous two years.

For more details, including a disclosure form, go to www.planning.nsw.gov.au/donations.

Lodgement

All applications must be lodged with the Director-General of the Department of Planning, by courier or mail. An electronic copy should also be emailed to the assessment contact officer assigned to the project.

Note: The real property description is found on a map of the land or on the title documents for the land. If you are unsure of the real property description, you should contact the Department of Lands.

Please ensure that you place a slash (/) to distinguish between the lot, section, DP and strata numbers. If the project applies to more than one piece of land, please use a comma to distinguish between each real property description.

OR detailed description of land attached. ☐

MAP: A map of the site and locality should also be submitted with this application.

4. Major project description and other requirements

Provide a brief title for your project.

Residential development comprising a mix of unit types and sizes within 13 individual buildings, with associated access / parking, infrastructure, open space and landscaping. It is intended that the development site would be subdivided, potentially using a combination of Community and Strata title, to achieve development lots that would allow the logical staging of construction.

PROJECT APPROVAL

If you are applying for approval of a project, include in the project title, all significant components for which approval is being sought. If the application relates to part only of a project, the project title should reflect this.
