Consultation and Status to date

RTA – Ryan is sending us a summary of the consultation with RTA

Utility Companies:

Jemena – DFL/MW attended a meeting with Jemena. Notes to be followed

SWC – S73 received stating the required upgrades, but has not included the staging for the upgrade.

Integral – we have received advice re restrictions on easement. Still waiting for advice on electricity loading and required upgrade.

No other consultation has been undertaken.

Subject: IIHP

Dear David

Please provide written advice as to whether or not you consulted with any agencies re: our reports, i.e., IIHP EA. If you have not consulted with anyone please advise why it was not necessary.

Please can you provide this advice urgently.

Thank you

Michael Wilkinson
