

19 May 2009

Mr Michael Wilkinson
Project Manager
Illawarra Regional Development Group Pty Ltd
Level 1, 29 Massey Street
GLADESVILLE NSW 2111

Dear Michael,

RE: CONSULTATION WITH PLANNING AGENCIES AND THE PUBLIC DURING PREPERATION OF ENGINEERING REPORTS: PROPOSED HOSPITAL AND HEALTH CARE CAMPUS, HUNTLEY NSW.

Martens & Associates have provided the following reports for inclusion with the Environmental Assessment being prepared for the aforementioned site:

- o Stage 1 Land Contamination Assessment – P0802279JR01_v2, May 2009;
- o Geotechnical Investigation – P0802279JR03_v3, May 2009; and
- o Concept Stormwater Management Strategy – P0802279JR02_v2, May 2009.

The Stage 1 Land Contamination Assessment was prepared in accordance with NSW EPA Contaminated Sites guidelines and SEPP 55. Wollongong City Council (WCC) development application records and the West Dapto LEP were also consulted.

The Geotechnical Investigation, which included a discussion of local groundwater conditions, was prepared in accordance with Australian Geomechanics Society guidelines, Wollongong City Council's geotechnical DCP and relevant Australian Standards. NSW Department of Natural Resources local bore data was also consulted.

The Concept Stormwater Management Strategy was prepared in accordance with Wollongong City Council stormwater drainage codes and with reference to WCC water quality and flooding studies and the Southern Councils Group stormwater management policy.

Please contact me if you have any questions.
