Dear Dr Gooley

*Brett,*

I write in response to your letter of 18 March 2009 requesting a formal reply on the adequacy of consultation with South Eastern Sydney and Illawarra Area Health Service regarding the Illawarra International Health Precinct. I understand this will be provided to support your Part 3A submission to the NSW Department of Planning.

As you have indicated in your letter, you have met formally with me as well as:

- Mrs Sue Browbank, General Manager, Southern Hospital Network
- Professor George Rubin, Director, Population Health, Planning and Performance
- Ms Julie Dixon, Executive Manager, Strategy and Planning
- Ms Franca Facci, Senior Planner

During the consultations you have adequately outlined the proposal for the Illawarra International Health Precinct proposed for Huntley and we congratulate you on obtaining the Private Hospital and Day Procedure Licences for the development.

As we have mutually agreed, once the development is underway then further liaison may be warranted to determine supportive and complementary roles.

Should you require any further information, please do not hesitate to contact Ms Julie Dixon, Executive Manager, Strategy and Planning on 4221 6748.

Yours sincerely

Terry Clout  
Chief Executive
