- (i) landslip                      NO
- (ii) bush fire                      NO
- (iii) tidal inundation      NO
- (iv) subsidence              NO
- (v) acid sulphate soil      NO
- (vi) any other risk (other than flooding)      NO

*Note: The fact that land has not been identified as being affected by a policy to restrict development because of the risks referred to does not mean that the risk is non-existent.*

## **6A. FLOOD RELATED DEVELOPMENT CONTROLS INFORMATION**

(1) Whether or not development on that land or part of the land for the purposes of dwelling houses, dual occupancies, multi dwelling housing or residential flat buildings (not including development for the purposes of group homes or seniors housing) is subject to flood related development controls. #### **ADDITIONAL INFORMATION PROVIDED UNDER SECTION 149(5) OF THE ACT**

Environmental planning instruments or development control plans may place restrictions on matters such as:

- i) the purpose for which buildings, works or land may be erected, carried out or used;
- ii) the extent of development permitted;
- iii) minimum site requirements; and/or
- iv) the means of vehicular access to the land.

The instruments and the plans should be examined in relation to the specific restrictions which may apply to any development which may be proposed.

The land is subject to a Tree Preservation Order and Tree Management Policy, details of which are available at Council's Customer Service Centre.

There are exemptions from Council's Tree Preservation Order and Tree Management Policy relating to various species of trees; noxious trees; dying, dead or dangerous trees; and trees within three (3) metres of certain buildings.

Council has established a Significant Tree Register. Inclusion of a tree in the Register means that exemptions from the Tree Preservation Order will not apply to that tree.

Registers of Consents may be examined at Council's Customer Service Centre for particulars relating to development consents which may have been issued for the use or development of the land.

Enquiries regarding areas Reserved for County Road and County Open Space should be directed to the Roads and Traffic Authority and Department of Urban Affairs and Planning respectively.

The information provided concerning the Coastal Protection Act, 1979 is only to the extent that the Council has been notified by the Department of Public Works and Services.

Council has adopted by resolution a policy concerning the management of contaminated land. This policy applies to all land in the City of Ryde and will restrict development of the land if the circumstances set out in the policy prevail. Copies of the policy are available on Council's Website at [www.ryde.nsw.gov.au](http://www.ryde.nsw.gov.au).
