How to use this timetable

1. Find the two timing points you are located between on the route map.
2. Locate these two timing points on the timetable.
3. Your bus is timetabled to arrive between the times shown for these points. For example: If your street is between **B** and **C** on the map, the bus is timetabled to arrive between the time listed for **B** and the time listed for **C**.

Late running buses

While every effort is made to run services on time, occasionally, due to circumstances beyond our control, our buses may run behind schedule. You can rest assured that in these instances, every effort will be made to regain timetabled running as soon as possible.
