Dear Sir

**RE: ASHFIELD CARDINAL FREEMAN VILLAGE- CARE PRECINCT**

---

This is to certify that we have been commissioned by Aevum Health to carry out structural design on the above project.

We further certify that the structural design will be checked by a corporate engineer who will not be involved in the original design. This check will ensure conformance of the design with Australian Standards and Codes relevant to the structural component, as referenced in the Building Code of Australia, and accepted engineering principles.

Yours faithfully
