18 November 2008

Dear Sir,

Reserve for Access at Sancrox

I refer to your letter of 27 October 2008 and subsequent meeting concerning the Crown reserve adjoining DP791199 at Sancrox, parish of Macquarie.

The proposed staged development of the freehold land within DP791199 will not deny access to the foreshore reserve land. Access is presently available via Council public road, Bengal Street, Hastings River and Haydons Creek. If requested a licence may be granted to the title community development for access over the Crown foreshore land. This would enable maintenance of the land such as mowing which could encourage and enhance public use.

As stages of the development progress public access and improvement to the foreshore land will be reviewed.

Yours Sincerely

S Chapman
