Dear Ms Birchall

**RE: Cobaki Lakes Estate – Major Project 08_0200
Proposed alternate Fauna movement corridor**

I refer to the proposed fauna corridor providing an east west linkage across the proposed Cobaki Lakes Estate development. On 4 June 2010 the proponent and their consultant met with the Department of Environment, Climate Change and Water (DECCW) to discuss an alternative location for the proposed fauna corridor.

DECCW has considered the proposal and has no objection to the amended location of the fauna corridor. The proposed alternate location as shown on the attached plan.

If you have any questions, or wish to discuss this matter further please contact me on 6640 2506.

Yours sincerely
Signed
Jon Keats
