

Grasses	
Whisky Grass*	<i>*Andropogon virginicus</i>
Rhodes Grass*	<i>*Chloris gayana</i>
-	<i>Dichanthium sericeum</i>
Forest Hedgehog Grass	<i>Echinopogon ovatus</i>
Bordered Panic*	<i>Entolasia marginata</i>
-	<i>Ischaemum australe</i>
Brown Lovegrass*	<i>Eragrostris brownii</i>
Basket Grass	<i>Oplismenus aemulus</i>
Bladey Grass	<i>Imperata cylindrica</i>
Weeping Grass	<i>Microlaena stipoides</i>
Carpet Grass*	<i>*Axonopus fissifolius</i>
Parramatta Grass*	<i>*Sporobolus indicus</i>
Broad-Leaved Paspalum*	<i>*Paspalum wettsteinii</i>
Torpedo Grass*	<i>Panicum repens</i>
Red Natal Grass*	<i>Melinis repens</i>
Kangaroo Grass	<i>Themeda australis</i>
Sedges, Rushes, Wetland Plants	
Spiny Headed Matrush	<i>Lomandra longifolia</i>
Many-Flowered Matrush	<i>Lomandra multiflora subsp. multiflora</i>
-	<i>Juncus polyanthemus</i>
-	<i>J. continuus</i>
Jointed Twig-Rush	<i>Baumea articulate</i>
Frogsmouth	<i>Philydrum lanuginosum</i>
Water Lily	<i>Nymphaea violacea</i>
-	<i>J. cognatus</i>
-	<i>Baumea juncea</i>
-	<i>Fimbristylus dichotoma</i>
-	<i>Selaginella uliginosa</i>
Saw Sedge	<i>Gahnia clarkei</i>
A Saw Sedge	<i>G. aspera</i>
-	<i>Cyperus polystachyos</i>
-	<i>Isolepis nodusus</i>
-	<i>Restio tetraphyllus ssp</i>
Giant Spikerush	<i>Eleocharis equisetina</i>
Common Spikerush	<i>E. acuta</i>
Water Ribbons	<i>Triglochin procerum</i>
-	<i>Carex appressa</i>
Sedge	<i>Carex sp.</i>

Groundcovers	
-	<i>Desmodium rhytidophyllum</i>
Plantain*	* <i>Plantago lanceolata</i>
Flax Lily	<i>Dianella caerulea</i>
Kidney Weed	<i>Dichondra repens</i>
Pomax	<i>Pomax umbellata</i>
Kurnell Curse*	* <i>Hydrocotyle bonariensis</i>
Pouched Coral Fern	<i>Gleichenia dicarpa</i>
Pennywort	<i>Centella asiatica</i>
Buttercup	<i>Ranunculus lappaceus</i>
-	<i>Senecio diaschides</i>
Whiteroot	<i>Pratia purpurascens</i>
-	<i>Goodenia paniculata</i>
Bat's Wing Fern	<i>Histiopteris incisa</i>
Common Groundfern	<i>Hypolepsis muelleri</i>
Rasp Fern	<i>Doodia aspera</i>
Leafy Purple Flag	<i>Patersonia glabrata</i>
Fireweed*	<i>Senecio madagascariensis</i>
-	<i>Histiopteris incisa</i>
-	<i>Blechnum indicum</i>
Violet	<i>Viola hederacea</i>
Bindii*	* <i>Soliva sessilis</i>
Bracken Fern	<i>Pteridium esculentum</i>
False Bracken Fern	<i>Calochlaena dubia</i>
White Clover	* <i>Trifolium repens</i>
Cats Ear	* <i>Hypochaeris radicata</i>
Farmers Friend*	* <i>Biden pilosa</i>
Parasites and Epiphytes	
Devils Twine	<i>Cassytha glabella</i>
Mistletoe	<i>Amyema pendulum</i>
Snake-Flower Orchid	<i>Cymbidium suave</i>
Lianas, Scramblers and Twiners	
Wombat Berry	<i>Eustrephus latifolius</i>
-	<i>Glycine spp</i>
Love Creeper	<i>Glycine microphylla</i>
False Sarsaparilla	<i>Hardenbergia violacea</i>
Jasmine Morinda	<i>Morinda jasminoides</i>
White Passionflower*	* <i>Passiflora subpeltata</i>
Austral Smilax	<i>Smilax australis</i>
Native Sarsaparilla	<i>Smilax glycyphylla</i>
Common Marsdenia	<i>Marsdenia rostrata</i>
Monkey Rope	<i>Parsonsia straminea</i>
Molucca Bramble	<i>Rubus moluccanus</i> var. <i>trilobus</i>
Native Bramble	<i>Rubus parvifolius</i>
Kangaroo Grape	<i>Cissus antarctica</i>

APPENDIX 4: Site Photos

Series 1: View from western edge of wetland to northwest filling area.

Series 2: View of wetland and filling area from west to northeast from the depression containing Wallum Frolgets in 2006

Photos A1 and A2: Shrubs in mid-ground indicate southwest drain where Common Planigale was recorded in 2003.

Left photo: Sample of habitat in which Wallum Froglet has survived slashing in 2006. These sedges are <15cm high. Note layer of detritus. This was moist when dug.
