to the attention of the Director
Strategic Assessments

Dear Sir

Edmondson Park South

We are the owners of 2 Blomfield Road Benham Court and attended the information session at Singleton North Public School Hall on 16 October 2010 in regard to the Edmondson Park South development.

Our submission is that the development include the extension of the sewer to provide the opportunity for our property, 2 Blomfield Road, Benham Court to be connected to the sewer.

Yours faithfully
B. Painter
