Dear Ms Teasdale

**Re: LOT 1 DP374315, LOT 4 DP 615261 AND CROWN RESERVE, OCEAN DRIVE,
LAKE CATHIE**

I refer to your letter to the Department of Environment and Climate Change (DECC), dated 28 October 2008 regarding the above matter.

Please find attached a list of known Aboriginal parties that the DECC feels is likely to have an interest in your development. I note this is not necessarily an exhaustive list of all interested Aboriginal parties and receipt of this list does not remove the requirement of a proponent/consultant to advertise the proposal in the local print media and contact other bodies and community groups seeking interested Aboriginal parties, in accordance with the DECC's *Interim Community Consultation Requirements for Applicants (2004)*.

If you encounter any changes to the contact details of interested Aboriginal parties or become aware of additional parties, we encourage you to forward this information to the Department so we can update our records.

DECC understands that you may have already initiated community consultation and encourages proponent/consultants to involve local Aboriginal communities from the outset when assessing heritage values.

If you have any further question regarding this matter, please contact Ciaron Dunn, Aboriginal Heritage Planning Officer, Planning & Aboriginal Heritage Section on (02) 6659 8221.

Yours sincerely
