TO WHOM IT MAY CONCERN

Dear Sir/Madam,

Redevelopment of Salamander Shores

As a resident and former chair of Tourism Port Stephens, I welcome the news that Salamander Shores are seeking to redevelop the great location in Port Stephens. A development of this magnitude is an opportunity to rebrand Port Stephens as a destination for Conferencing, conventions and vacations on a grand scale at a beautiful location.

A development engaging the community and council in consultation is a positive move to achieve a great outcome on such a large scale.

I congratulate the concept plan prepared by consultants run by Sarah Kelly of Saky Developments on their initiative to bring this project to the Port Stephens area.

Should you have any queries please do not hesitate to contact Council.

Yours faithfully

Cr Bob Westbury
