**RE: MP10\_0089 Coal & Allied Southern Estates Proposal for Middle Camp**

I wish to lodge my objection to the above proposal for the development of 222 dwellings at the northern end of Catherine Hill Bay, known as Middle Camp.

The reason for my objection is that I believe that there should be no dwellings constructed on the eastern side of Flowers Drive. My objection is based on the following;

- ☐ The exceptional landscape is of heritage significance.
- ☐ Development of the eastern side would destroy that site's significant qualities. Proposed "buffer zones" will only serve to disguise the destruction of that site.
- ☐ I believe this site should be zoned E2 to preserve its environmental qualities.
