I OBJECT TO
THE PROPOSAL(S)

mark box
with "X"

REASONS why I object to the proposal(s)
INCLUDE :

- Developments are too large for the existing size of the villages. They will increase the sizes by too large a degree without improvements in amenities, and destroy the character of the small villages.
- There are inadequate roads and parking in this narrow strip of land especially at Catherine Hill Bay. Too much traffic with no improvement in roads.
- Development at Catherine Hill Bay will ruin the historic look and feel of the town.

I OBJECT TO
THE PROPOSAL(S)

mark box
with "X"

REASONS why I object to the proposal(s)
INCLUDE :

- o The development in Nords Wharf is too large for the area. The natural environment will be disturbed affecting local flora + fauna. The additional traffic will heavily affect both Government Road (where many children live) and the exit to Pacific Hwy (both ends) is already dangerous.

- o Any development at Middle Camp should be similar to existing houses ~~and not like~~ so that the spirit and feel of the village is consistent throughout. We have too few historic villages in Australia. Please do not spoil this one.
