mark box
with "X"

REASONS why I object to the proposal(s)
INCLUDE :

- o Roads - all roads in this area are poorly maintained - Not suitable for heavier traffic, especially Gwandalan.
- o Historically the town of Catherine Hill Bay should not be altered due to the aesthetics of the area.
- o Little amenities - this part of the lake does not have very many amenities (i.e. money spent on it). The developers offers promises, then refer it back to Council. Still no footpaths in Nords Wharf!
