Dear Ms Johnston

Re: Coal & Allied Southern Estates – Gwandalan (MP10_0084), Middle Camp (MP10_0089) & Nords Wharf (MP10_008).

I refer to my previous correspondence dated 30 August 2010, expressing an interest to obtain a parcel of land at the Middle Camp (Catherine Hill Bay), as part of the State Infrastructure contributions.

The Ambulance Service has completed a review of future needs in these areas and has determined the location is not suitable to establish an ambulance facility. Our review indicates the Swansea area would be the preferred location for an ambulance station.

Therefore, we respectfully wish to withdraw our expressions of interest at Middle Camp. We also have no further interest in any of the above areas.

I trust this information is of assistance to your planning and thank you for an opportunity to provide comment on our future needs in these areas. For future planning purposes I would like to continue to receive information and updates on the above developments.

If you require further information please contact Superintendent Terry Watson on (02)49217504 or twatson@ambulance.nsw.gov.au

Yours sincerely
