Subject: Online Submission from Ann Middlebrook of Resident ()
CC: <assessments@planning.nsw.gov.au>

I am concerned with the wall of 14, 3 storey attached dwellings (attached townhouses with loft area) behind the heritage precinct known as Lemongrove Road. 1.How much space is from the back of these proposed townhouses to our back fence? 2.Could this area be kept as an easement or public space? 3.Could these dwellings be only two storey and detached with a decent amount of space between each of them to give us a sense of prepective to the west? Building 8 detached dwellings is a better option then a wall of 14 attached dwellings. Our properties will lose all sense of visual perspective to the west. I already have flats on the right side of my house. I do not want to be boxed in. It appears that there are two many townhouses squeezed in together creating a barrage and infringing on the heritage properties. Could someone please call me on 4732 2839 to discuss this part of the development. I have left a message on the information line. Thankyou
