

NSW GOVERNMENT

Department of Planning

Record of Minister's opinion for the purposes of Clause 6(1) of the State Environmental Planning Policy (Major Projects) 2005

I, the Director-General of the Department of Planning, as delegate of the Minister for Planning under delegation executed on 31 October 2005, have formed the opinion that the development described in the Schedule below, is development of a kind that is described in Schedule 1 of the State *Environmental Planning Policy (Major Projects) 2005* – namely clause 24(a) "Development for the purpose of an electricity generation facility that has a capital investment value of more than \$30 million for coal-fired generation", and is thus declared to be a project to which Part 3A of the *Environmental Planning and Assessment Act 1979* applies for the purpose of section 75B of that Act.

Schedule

A proposal to increase capacity and implement improvements at the existing Eraring coal-fired power station, including replacement/ upgrade of power station components, renewal of aged plant and equipment, and construction and operation of a new cooling water attemperation reservoir with associated infrastructure.
