Dear Sir,

**North Ryde Station Precinct Masterplanning and Rezoning Process**

I am writing in relation to the above matter.

The Roads and Traffic Authority (RTA) has noted the contents of the proposed master planning and rezoning processes in accordance with the provisions of the Environmental Planning & Assessment Act 1979.

The RTA owns land located in the North Ryde precinct, namely Lot 11 in DP 1017829, Lots 11, 12 in DP 27851 and Lot E in DP 28507.

The RTA, as landowner in this instance, has noted the proposed master planning and rezoning processes and agrees to the inclusion of its land in the rezoning process.

Should further information be required in this instance, please contact Aurora Moroney on telephone number 85885338.

Yours faithfully
