Dear Sir/Madam,

We totally oppose the current development proposal. We live opposite Shore school currently. We have to put up with inconsiderate parking practices, traffic management, drunk students parking across from us and/or in the no parking and/or across our driveway constantly. Saturday mornings are a nightmare with sport traffic already.

[REDACTED] Another 500 students in our street is ridiculous not to mention the impact on the park, greenery and environment.

We would fully support the demand for a public enquiry as Shore school have shown themselves to be a very poor neighbour with the current infrastructure and now they want to impose further on our wonderful community and environment. we shall do whatever we can to oppose this.

Kind Regards,

Wendy Penn
