The concept plan ensures the restoration and future use of the Graythwaite site and its historic buildings in a very sensible and pragmatic way. The use of the mansion as an administrative centre for the school is realistically the only possible use of such a building which will enable its heritage features to be preserved - which the school will do very well. The site is currently a disgrace after years of government neglect. Stage 1 should be approved immediately.

Name: Timothy Rickard

Address:
2/174 Phillip St
Sydney 2000
