Having lived in Neutral Bay for nearly 50 years and being a long-time admirer of Graythwaite's parkland, I strongly urge you to stop the destruction of that important amenity. Surely the school buildings programme could accommodate the majority of the 85 precious trees. Students are entitled to trees as well as school buildings!

The historic estate deserves better than this. Please arrange for the holding of a public enquiry to enable objections to be heard to the loss of open space and trees.
