Dear Ben,

Please don't chop down the trees at Graythwaite. It is a magical place and chopping then down will destroy the wonderful garden. Please keep the trees standing tall at Graythwaite.

There is space for school buildings, but they need to fit in with the trees and other buildings at Graythwaite. The buildings Shore want to build don't fit in well with the site. They are just too big.

I can take you on a walk of the site to show you what I mean.
