I wish to object about the desecration of this historic people's park. I visit the area regularly and am appalled at what's happening here.

My objections are twofold:

- 1.Placement of the proposed building totally ignores the significance of the tree heritage issues;
2. In an already cramped space the added traffic management problem will be a nightmare Already the surrounding streets are constantly clogged with cars being driven and parked by the boys.

I ask that a public enquiry be held on this.
