Having lived for 20 years in Union Street opposite the Graythwaite park, and having opposed the sale to Shore School, we are now shocked to hear that several historic fig trees, along with over 80 trees are threatened by this development ! We strenuously object to the loss of open space this development would cause, and to the increased traffic problems that would inevitably ensue. This development must not be allowed, Graythwaite park is the lungs of North Sydney/MacMahons point area and must remain untouched for the benefit of all.
