1.0 Introduction

This Capital Investment Value cost assessment has been prepared from a review of costs associated with the proposal prepared by Brown Consulting (NSW) Pty Ltd for a new Industrial development off Burley Road as part of the Horsley Park Employment Precinct for Jacfin Pty Ltd.

The assessment is based on advice from the project consultant team on concept design and initial strategies of procurement, programming, logistics management, value management, management of construction works and co ordination for development of 'Cold Shell' warehouse and manufacturing facilities.

Should any further information regarding this submission be required, please do not hesitate to contact:
