Dear Chris,

**RE: Mirvac Projects Pty Limited Section 75W modification applications – Proposed new link Road / Bridge and Northern Detention Basin 6
Use of Hinchinbrook Creek / Woolway Park, Len Waters Estate for vegetation offset**

Council is writing to notify the Department of Planning of an 'in principal' agreement for the re-vegetation and rehabilitation of Lot 101 DP 1130459 (Hinchinbrook Creek / Woolway Park), to offset the loss of vegetation resulting from the construction of the proposed new link road and bridge on lot 101 DP 1130459 and northern detention Basin 6 on Lot 10 DP1139171.

This letter is to confirm that Council approves of the use of its land for future vegetation offset works in accordance with the amended Overall Offset Works Plan (Offset Works Proposed Northern Basin 6, Figure 1, dated 22 Dec 2010 by GHD) issued by Mirvac. A copy of this plan is attached for ease of reference.

This approval is contingent upon;

1. Approval of the Ecological Impact Assessment and Vegetation Management Plan by the Department of Planning (forming part of the S.75W application) ensuring the proposal is of an acceptable ecological outcome.
2. Liverpool City Council and Mirvac finalising items between them which shall bind Mirvac to complete the proposed offset works.

Should you require any further information on this matter, please do not hesitate to contact Theo Zotos, on 9821 9317.

Yours sincerely,

Theo Zotos
Executive Planner
