BY EMAIL: alan.moroney@planning.nsw.gov.au

Dear Mr Moroney,

SUBMISSION OF SUPPORT FOR MP 10_0093

Donaldson Coal Pty Ltd is a significant landowner close to the above project.

Donaldson supports responsible development and conservation of the locality.

We have examined the Concept Plan for the development of Coal and Allied Operations 183 hectares of employment lands at Black Hill, together with the dedication of conservation land at Tank Paddock (147 hectares) and Stockrington (398 hectares).

We consider the proposal represents responsible development and conservation, and accordingly we support the project.

Yours faithfully
