Dear Ms Johnston

Re: Exhibitions of Minmi/ Newcastle Link Road Part 3A Concept Plan (MP10_0090), State Significant Study and draft Voluntary Planning Agreement.

Reference is made to your letter dated 24 February 2011, inviting the Ambulance Service of NSW to make a submission on the above proposal including any recommended conditions.

We have considered our future needs for Ambulance in this area and would like to reiterate our previous advice and that we continue to maintain an interest in this development in which to establish an ambulance station.

Having reviewed the proposal the Ambulance service of NSW has no objections.

I trust this information is of assistance to your planning and thank you for an opportunity to provide comment on our future needs in these areas. For future planning purposes I would like to continue to receive information and updates on the above development.

Yours sincerely
