Dear Ms Johnston,

Exhibition of Black Hill Employment Lands State significant sit study, Part 3A concept plan (MP10_0093), and draft planning agreement.

I refer to your correspondence dated the 25 February 2010 seeking comment from the NSW Police Force in relation to the proposed development.

I wish to advise that the NSW Police Force has no objections to this development proceeding, however we would appreciate receiving ongoing details of the development and being consulted on issues that may affect policing responses such as traffic management.

Provision has been made for a policing presence in the Minmi/Newcastle Link Road development with 6,000 square metres set aside to provide a police facility which will compliment other police stations in the Lake Macquarie and Newcastle City Local Area Commands.

Yours faithfully
