FOR METRO WATCH

# PETITION

TO: NSW GOVERNMENT  
TO: NSW OPPOSITION  
TO: MARRICKVILLE COUNCIL

Residents, local businesses and other supporters of Marrickville, New South Wales, are strongly opposed to the extension of car parking and retail space at the Marrickville Metro Shopping Centre – we want to save our valuable local shopping strips. We consider the impact and damage to the local area including residential areas, residents, street traffic, streetscape, amenity, retailers along all shopping strips including Marrickville, Dulwich Hill, Petersham, Newtown and Enmore will be significant and unacceptable.

We request that the proposed extension to Marrickville Metro Shopping Centre not be allowed to go ahead. We have been working hard towards improving Marrickville and want to ensure that this growing and vibrant community and village shopping precinct does not get trampled under the extension of another large shopping centre.
