Andrew

I'm submitting this request for further information on behalf of Patrick Terminals Port Botany.

We are seeking a copy of a map (if one exists) detailing the scope of works and the possible impact on our operations during the Caltex Jet Fuel Pipeline Upgrade Project (11_0004)

Our boundary runs adjacent to the Caltex fuel farm located off Penrhyn Rd Banksmeadow, and I believe that a major fuel line runs through our facility.

Your assistance on this very important matter is appreciated, and I look forward to your reply.

Regards

William Stuart | Safety & Security Manager | Patrick Terminals – Port Botany
