The Director  
Major Projects Assessment  
Department of Planning & Infrastructure  
GPO Box 39  
SYDNEY NSW 2001

**ATTENTION: Ms JANE FLANAGAN**

**SUBJECT : Exhibition of proposed residential development with basement  
Parking – 5 Whiteside Street and 14 – 16 David Avenue, North  
Ryde. (10\_0165)**

I object to the proposed project named above.

The reasons for my objection are –

The North Ryde area south of Epping Road is wholly low-rise residential or parkland together with associated schools, churches, medical facilities and shops.

There are few access streets from the proposed site to the main connecting roads - Lane Cove Road and Epping Road. **There are already traffic queues at these points.**

Because of the large developments on the north side of Epping Road (opposite from the proposed site) **streets on the south side are already congested and at times reduced to one lane traffic. Grid-lock occurs.**

My name is not to be disclosed to the Proponent, Authorities or placed on the Department's website.

I have made no reportable political donations.

Yours faithfully
