**Objection to proposed Planning Whiteside St / David Ave 10 0165**

To Whom It May Concern,

Re the above proposed development:

My objections to the proposed development remain in principal as per my initial objections and are as follows:

The area for the project is zoned R2, suitable for the development of villa homes and sub division of a maximum of 2 storeys.

We objected to the previous building plan which had considered 11 storeys and again we reiterate our objection to the proposed altered plan which shows 8 storeys.

We believe that this area should remain zoned as R2, with no development to exceed 2 storeys.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Perrin".
