We both object to the above project.

Mr & Mrs. Dante & Ada Coretti,  
4 Darcy Street Marsfield 2122

Re: Exhibition of Mixed Used Development -110-114 Herring Road, Macquarie Park (MP 10\_0112 and MP10\_0113)

We both object to the above project.

1. We already have the Macquarie University and New Hospital in the vicinity.
  2. Lots of Office Buildings including the New Optus Office
  3. Macquarie Shopping Centre.
  4. Traffic in peak hour is already horrific and just imagining 310 apartments which would house say around 600 people the streets around the area would become a car park. It now takes up to 20 minutes or more to reach Epping Highway. Part of the problem is the pedestrian crossing at macquarie centre.
  5. On Thursday nights around 6.15pm it sometime takes 15 minutes from the top of Herring Road to reach Blundell Street.
  6. Coming from Midways one morning around 9.00am it took me over half an hour to reach home.
  7. The Ranch Hotel entrance is also normally busy and tends to slow down traffic.
- I would not like to imagine how much more traffic would be in the area with 310 apartments.
8. It would also become dangerous as one would not be able to reach appointments if necessary.

Would you please confirm that you have received this e-mail please

Yours truly,

Evelina Giagodi & family
