Dear sir/madam

**Name/Address:**

Henry Chong  
 29A Sobraon Road  
 MARSFIELD NSW 2122

**Application & Application Number**

110-114 Herring Road,  
 MACQUARIE PARK  
 MP10\_0112  
 MP10\_0113

**Statement:**

I am writing to **strongly object** to the proposed projects listed above.

**Reasons:**

1. Adverse impact on the area. Why 22 storey? The surrounding area has some low rise units and a 22-storey block of units would not commensurate with the area. If allowed to proceed the number of levels should be limited to 5 to blend in with the area. This part of Macquarie Park and the adjacent Marsfield are residential areas and a 22-storey block of units should not be allowed.
2. Adverse impact on traffic on Herring Road & Epping Road, during and after the construction. Herring Road is already always jammed with traffic in the morning & afternoon. The number of additional residents and traffic will affect it even more.
3. Adverse impact on schools with the additional residents & schools requirements
4. Adverse impact on infrastructure and resources.

**Declaration**

I have not made any reportable political donations of \$1000 or more in the previous two years.

Regards

Henry Chong
