Hello,

Our name: Jie Peng & Kevin Xiang
Address: 33 David avenue, North Ryde
Application number : MP10_0112 &MP10_0113 Development -110-114 Herring Road, Macquarie Park

We are object to this project, the reason :

There are too much traffic in David avenue, North Ryde already , also the exit to Lane Cove Road and Epping Road are over crowded every day, you need wait at least 5 minutes if not more to go to Epping Road during the peak time. Also there are too many cars on the street, Street can handle 2 way traffic before the train station open , now it is impossible for 2 way traffic every day on the street as there are two many cars parked in the street.

We strong against the development in 110-114 herring Road , as it is hard for the street handle so much traffic even now, let along to add 310 residential units in the area.

Thanks

Jie Peng & Kevin Xiang
