Dear Sir,

I wish to lodge my objection to the above proposal. My reasons are as follows.

I totally object to this over-development of our suburb of Marsfield.

The proposal is an environmental monstrosity of up to 22 storeys.

Just how many extra cars are expected to be housed on that block of land.

Herring Road is clogged with cars and buses now travelling to Macquarie Centre, trying to access the M2, the university and all the many businesses near Macquarie Centre.

The infrastructure will not cope with this massive construction.

Please do not make our suburb of Sydney - our residential suburb - end up looking like Shanghai !!

regards,

Gloria Dartnell
