Dear Mr Rust

I refer to your letter confirming NSW Health will not be proceeding with the State significant listing or Concept Plan for the Westmead Health Campus and the Part 3A declaration over this land is no longer required.

In light of this, I have revoked the Part 3A order over this land. Further, I wish to formally withdraw my predecessor's agreement to investigate the listing of the site as State Significant site.

Should you wish to discuss any of the above, I have arranged for Mr Michael File, Director - Strategic Assessments at the Department of Planning, to assist. Mr File can be contacted on 9228 6407.

Yours sincerely

Tony Kelly MLC  
**Minister for Planning**
