Re: **OBJECTION** OF CONCEPT PLAN FOR THE CRONULLA SHARKS  
DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).

Please accept this letter as my formal **OBJECTION** to the proposed development  
stated above.

**Reason for Objection – Size and Density, Visual Impact**

The proposed development is significantly larger than any other existing  
development in the Sutherland Shire. The surrounding roads could not cope with the  
additional traffic generated by 700 units, and a Shopping Centre, and an expanded  
club. Gannons Road and Captain Cook Drive are already severely congested at  
peak times, resulting in lengthy delays on both roads.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

This high-density development will completely change the look, feel and landscape  
of the area. There is nothing of this size located this far from public transport and  
this monstrous development will be not only stand out as eyesore from the homes in  
the area, it will destroy the open suburban feel we have all strived to maintain, and  
pay a premium for, in the Sutherland Shire.

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Yours faithfully

Dear Michael (name and address not for publication)

Re: **OBJECTION OF CONCEPT PLAN FOR THE CRONULLA SHARKS DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).**

**Reason for Objection – Loss of Sporting Fields**

Please accept this letter as my formal OBJECTION to the proposed development stated above.

I object to the Sharks building on the fields currently used for Junior Rugby League and Training. These fields were purchased from the Council on the proviso that they would always be used for this purpose.

The Sutherland Shire has minimal land designated for kids sport and outdoor activity. Current playing fields all over the Shire are used to maximum capacity for Soccer, Rugby League, Oz Tag, and Cricket, making open spaces even more valuable. It is madness to allow fields to be taken away.

This land is badly needed to provide future generations with fields to maintain healthy habits, community spirit in amateur sport. Its hypocritical of The Sharks Club to say they are doing this for the community, when they are taking so much away.

The Developers are justifying their position by saying sporting fields will be reallocated at Cronulla High School, yet I note that the NSW Education Department has reached NO agreement on this point. Nor should our Public Schools have land access negotiated by developers for their own gain.

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Yours sincerely

Dear Michael

Re: **OBJECTION** OF CONCEPT PLAN FOR THE CRONULLA SHARKS  
DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development  
stated above.

**Reason for Objection – Traffic Congestion**

The proposed development is significantly larger than any other existing  
development in the Sutherland Shire. The surrounding roads could not cope with the  
additional traffic generated by 700 units, and a Shopping Centre, and an expanded  
club. Gannons Road and Captain Cook Drive are already severely congested at  
peak times, resulting in lengthy delays on both roads.

A traffic study included in the EA submitted by the developers, found the project  
would generate 1249 two-way vehicle movements an hour during the Friday  
afternoon peak period and 1060 vehicle movements during the Saturday afternoon  
peak period.

There is no room for the expansion of these roads, and the removal of the  
roundabout would worsen the traffic flow for this amount of cars. Imagine the impact  
when crowds arrive for both Saturday sport and Rugby League Games.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Re: **Objection** of concept plan for the Cronulla Sharks Development, Woollooware, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development stated above.

**Reason for Objection - Game Day Parking - Loss of 540 Car Spots**

The Sharks football games have long been a favourite outing for Sutherland Shire residents. Families and Fans enjoy the local atmosphere of parking close to the stadium and walking to the field. I object to the proposition of offsite parking, and the proposal of mass parking at Wanda beach and buses used to transport you to and from your car. The extended travel times with buses, the hassle, and no doubt extra cost for families will turn the average sharks supporter away. This would be almost impossible for families with young children.

If buses are not used, the impact on local residents of North Caringbah, Woollooware, and North Cronulla would be unacceptable. Cars would be forced to park in residential streets, on peoples front lawns etc, creating added impact to the already congested situation caused by the units.

I also object to local schools playing fields being used for the purposes of private business advancing development plans. This is a dangerous precedent. We rely on our school sporting facilities to be kept in good condition for sport, not parking!

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Yours sincerely

Re: **OBJECTION** OF CONCEPT PLAN FOR THE CRONULLA SHARKS  
DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development  
stated above.

**Reason for Objection – Size and Density, Visual Impact**

The proposed development is significantly larger than any other existing  
development in the Sutherland Shire. The surrounding roads could not cope with the  
additional traffic generated by 700 units, and a Shopping Centre, and an expanded  
club. Gannons Road and Captain Cook Drive are already severely congested at  
peak times, resulting in lengthy delays on both roads.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

This high-density development will completely change the look, feel and landscape  
of the area. There is nothing of this size located this far from public transport and  
this monstrous development will be not only stand out as eyesore from the homes in  
the area, it will destroy the open suburban feel we have all strived to maintain, and  
pay a premium for, in the Sutherland Shire.

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Yours sincerely

Dear Michael (name and address not for publication)

Re: **OBJECTION OF CONCEPT PLAN FOR THE CRONULLA SHARKS DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).**

### Reason for Objection – Loss of Sporting Fields

Please accept this letter as my formal OBJECTION to the proposed development stated above.

I object to the Sharks building on the fields currently used for Junior Rugby League and Training. These fields were purchased from the Council on the proviso that they would always be used for this purpose.

The Sutherland Shire has minimal land designated for kids sport and outdoor activity. Current playing fields all over the Shire are used to maximum capacity for Soccer, Rugby League, Oz Tag, and Cricket, making open spaces even more valuable. It is madness to allow fields to be taken away.

This land is badly needed to provide future generations with fields to maintain healthy habits, community spirit in amateur sport. Its hypocritical of The Sharks Club to say they are doing this for the community, when they are taking so much away.

The Developers are justifying their position by saying sporting fields will be reallocated at Cronulla High School, yet I note that the NSW Education Department has reached NO agreement on this point. Nor should our Public Schools have land access negotiated by developers for their own gain.

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Re: **Objection** of concept plan for the Cronulla Sharks Development, Woollooware, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development stated above.

**Reason for Objection - Game Day Parking - Loss of 540 Car Spots**

The Sharks football games have long been a favourite outing for Sutherland Shire residents. Families and Fans enjoy the local atmosphere of parking close to the stadium and walking to the field. I object to the proposition of offsite parking, and the proposal of mass parking at Wanda beach and buses used to transport you to and from your car. The extended travel times with buses, the hassle, and no doubt extra cost for families will turn the average sharks supporter away. This would be almost impossible for families with young children.

If buses are not used, the impact on local residents of North Caringbah, Woollooware, and North Cronulla would be unacceptable. Cars would be forced to park in residential streets, on peoples front lawns etc, creating added impact to the already congested situation caused by the units.

I also object to local schools playing fields being used for the purposes of private business advancing development plans. This is a dangerous precedent. We rely on our school sporting facilities to be kept in good condition for sport, not parking!

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

The Sutherland Shire has minimal land designated for kids sport and outdoor activity. Current playing fields all over the Shire are used to maximum capacity for Soccer, Rugby League, Oz Tag, and Cricket, making open spaces even more valuable. It is madness to allow fields to be taken away.

This land is badly needed to provide future generations with fields to maintain healthy habits, community spirit in amateur sport. Its hypocritical of The Sharks Club to say they are doing this for the community, when they are taking so much away.

The Developers are justifying their position by saying sporting fields will be reallocated at Cronulla High School, yet I note that the NSW Education Department has reached NO agreement on this point. Nor should our Public Schools have land access negotiated by developers for their own gain.

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Yours sincerely

Re: **OBJECTION** OF CONCEPT PLAN FOR THE CRONULLA SHARKS  
DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development  
stated above.

**Reason for Objection – Size and Density, Visual Impact**

The proposed development is significantly larger than any other existing  
development in the Sutherland Shire. The surrounding roads could not cope with the  
additional traffic generated by 700 units, and a Shopping Centre, and an expanded  
club. Gannons Road and Captain Cook Drive are already severely congested at  
peak times, resulting in lengthy delays on both roads.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

This high-density development will completely change the look, feel and landscape  
of the area. There is nothing of this size located this far from public transport and  
this monstrous development will be not only stand out as eyesore from the homes in  
the area, it will destroy the open suburban feel we have all strived to maintain, and  
pay a premium for, in the Sutherland Shire.

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Yours sincerely

Re: **OBJECTION OF CONCEPT PLAN FOR THE CRONULLA SHARKS DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).**

**Reason for Objection – Loss of Sporting Fields**

Please accept this letter as my formal OBJECTION to the proposed development stated above.

I object to the Sharks building on the fields currently used for Junior Rugby League and Training. These fields were purchased from the Council on the proviso that they would always be used for this purpose.

The Sutherland Shire has minimal land designated for kids sport and outdoor activity. Current playing fields all over the Shire are used to maximum capacity for Soccer, Rugby League, Oz Tag, and Cricket, making open spaces even more valuable. It is madness to allow fields to be taken away.

This land is badly needed to provide future generations with fields to maintain healthy habits, community spirit in amateur sport. Its hypocritical of The Sharks Club to say they are doing this for the community, when they are taking so much away.

Re: **OBJECTION OF CONCEPT PLAN FOR THE CRONULLA SHARKS DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).**

Please accept this letter as my formal OBJECTION to the proposed development stated above.

### **Reason for Objection – Traffic Congestion**

The proposed development is significantly larger than any other existing development in the Sutherland Shire. The surrounding roads could not cope with the additional traffic generated by 700 units, and a Shopping Centre, and an expanded club. Gannons Road and Captain Cook Drive are already severely congested at peak times, resulting in lengthy delays on both roads.

A traffic study included in the EA submitted by the developers, found the project would generate 1249 two-way vehicle movements an hour during the Friday afternoon peak period and 1060 vehicle movements during the Saturday afternoon peak period.

There is no room for the expansion of these roads, and the removal of the roundabout would worsen the traffic flow for this amount of cars. Imagine the impact when crowds arrive for both Saturday sport and Rugby League Games.

This increased traffic will stop children being able to walk and ride bikes to Woollooware Public School, Woollooware High School and Cronulla High, as roads will be too dangerous for pedestrians. Surely our children deserve the opportunity to be able to walk to school?

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Re: **Objection** of concept plan for the Cronulla Sharks Development, Woollooware, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development stated above.

**Reason for Objection - Game Day Parking - Loss of 540 Car Spots**

The Sharks football games have long been a favourite outing for Sutherland Shire residents. Families and Fans enjoy the local atmosphere of parking close to the stadium and walking to the field. I object to the proposition of offsite parking, and the proposal of mass parking at Wanda beach and buses used to transport you to and from your car. The extended travel times with buses, the hassle, and no doubt extra cost for families will turn the average sharks supporter away. This would be almost impossible for families with young children.

If buses are not used, the impact on local residents of North Caringbah, Woollooware, and North Cronulla would be unacceptable. Cars would be forced to park in residential streets, on peoples front lawns etc, creating added impact to the already congested situation caused by the units.

I also object to local schools playing fields being used for the purposes of private business advancing development plans. This is a dangerous precedent. We rely on our school sporting facilities to be kept in good condition for sport, not parking!

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Re: **Objection** of concept plan for the Cronulla Sharks Development, Woollooware, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development stated above.

**Reason for Objection - Game Day Parking - Loss of 540 Car Spots**

The Sharks football games have long been a favourite outing for Sutherland Shire residents. Families and Fans enjoy the local atmosphere of parking close to the stadium and walking to the field. I object to the proposition of offsite parking, and the proposal of mass parking at Wanda beach and buses used to transport you to and from your car. The extended travel times with buses, the hassle, and no doubt extra cost for families will turn the average sharks supporter away. This would be almost impossible for families with young children.

If buses are not used, the impact on local residents of North Caringbah, Woollooware, and North Cronulla would be unacceptable. Cars would be forced to park in residential streets, on peoples front lawns etc, creating added impact to the already congested situation caused by the units.

I also object to local schools playing fields being used for the purposes of private business advancing development plans. This is a dangerous precedent. We rely on our school sporting facilities to be kept in good condition for sport, not parking!

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Yours sincerely,

Re: **OBJECTION** OF CONCEPT PLAN FOR THE CRONULLA SHARKS  
DEVELOPMENT, WOOLLOOWARE, (MP 10\_0229).

Please accept this letter as my formal OBJECTION to the proposed development  
stated above.

**Reason for Objection – Size and Density, Visual Impact**

The proposed development is significantly larger than any other existing  
development in the Sutherland Shire. The surrounding roads could not cope with the  
additional traffic generated by 700 units, and a Shopping Centre, and an expanded  
club. Gannons Road and Captain Cook Drive are already severely congested at  
peak times, resulting in lengthy delays on both roads.

This increased traffic will stop children being able to walk and ride bikes to  
Woollooware Public School, Woollooware High School and Cronulla High, as roads will  
be too dangerous for pedestrians. Surely our children deserve the opportunity to be  
able to walk to school?

This high-density development will completely change the look, feel and landscape  
of the area. There is nothing of this size located this far from public transport and  
this monstrous development will be not only stand out as eyesore from the homes in  
the area, it will destroy the open suburban feel we have all strived to maintain, and  
pay a premium for, in the Sutherland Shire.

I strongly believe that proceeding with this development would be at the detriment of  
our local environment and community, and I ask that the objections expressed in this  
letter be noted during the planning process.

Yours faithfully

Name.
