**Certifying Authority Services
Pemulwuy Project, Everleigh Street Redfern**

I refer to our involvement in the above project and can confirm that we have been engaged to act as the Accredited Certifiers for the development and also to undertake the role as the Principal Certifying Authority.

In this regard we will be issuing the Construction Certificates under Part 4A of the Environmental Planning and Assessment Act. We will be acting in the role of the PCA and in this regard be undertaking critical stage inspections as required and be issuing the Occupation Certificate for the buildings.

We are suitably accredited by the Building Professionals Board to undertake these functions and hold appropriate insurances as required in this regard.

Should any further information be required in this regard please contact the undersigned in the first instance.

Regards
