Dear Michael

Re: **OBJECTION OF CONCEPT PLAN FOR THE CRONULLA SHARKS DEVELOPMENT, WOOLLOOWARE,**
(MP 10_0229).

Please accept this letter as my formal OBJECTION to the proposed development stated above.

Reason for Objection – Size and Density, Visual Impact

The proposed development is significantly larger than any other existing development in the Sutherland Shire. The surrounding roads could not cope with the additional traffic generated by 700 units, and a Shopping Centre, and an expanded club. Gannons Road and Captain Cook Drive are already severely congested at peak times, resulting in lengthy delays on both roads.

This increased traffic will stop children being able to walk and ride bikes to Woollooware Public School, Woollooware High School and Cronulla High, as roads will be too dangerous for pedestrians. Surely our children deserve the opportunity to be able to walk to school?

This high-density development will completely change the look, feel and landscape of the area. There is nothing of this size located this far from public transport and this monstrous development will be not only stand out as eyesore from the homes in the area, it will destroy the open suburban feel we have all strived to maintain, and pay a premium for, in the Sutherland Shire.

I strongly believe that proceeding with this development would be at the detriment of our local environment and community, and I ask that the objections expressed in this letter be noted during the planning process.

Yours sincerely

Shane Finigan
