

# Modification of Minister's Approval

Section 75W of the *Environmental Planning and Assessment Act 1979*

As delegate of the Minister for Planning and Infrastructure under delegation from the Minister enforced from 1 October 2011, I approve the modification of the concept approval referred to in Schedule 1, subject to the conditions in Schedule 2.

Glenn Snow  
**A/Director  
Infrastructure Projects**

Sydney 16 January 2012

---

## SCHEDULE 1

<b>Concept Approval:</b>	MP 05_0072 granted by the Minister for Planning on 1 March 2011
<b>For the following:</b>	Parkes Intermodal Hub – Construction and use of an intermodal freight terminal and associated infrastructure.
<b>Modification:</b>	(MP 05_0072 MOD 1) to delete condition 7 containing the lapsing provisions and to update references to names of agencies and relevant guidelines.

## **SCHEDULE 2**

1. In the Definitions listing, delete the references to and the definitions for "Department", "Director-General", "DNR", "Minister" and "RTA", and insert in alphabetical order the following:

Department	Department of Planning and Infrastructure
Director-General	Director-General of the Department of Planning and Infrastructure (or delegate)
Minister	Minister for Planning and Infrastructure
RMS	Roads and Maritime Services

2. Replace all references to "RTA" with "RMS".
3. In condition 6(d), first dot point, replace the reference to the "*DEC's Environmental Noise Control Manual*" with the "*Interim Construction Noise Guideline* (DECC, 2009)".
4. In condition 6(d), third dot point, replace the reference to the "*DEC's Environment Criteria for Road Traffic Noise* (ECRTN)" with the "*NSW Road Noise Policy* (DECCW, 2011)".
5. Delete condition 7.
