Attention: Mr Mark Brown

Subject: Inclusion of Lot 12 DP 1095571 in the site description for the  
Australian Catholic University, Strathfield Campus Concept  
Plan MP10\_0231

I refer to the Concept Plan application for the Australian Catholic University (ACU) Strathfield Campus. The Request for a Part 3A Declaration lodged December 2010 (and accompanying application form) quoted two lots as part of the application – Lot 11 DP 869042 and Lot 12 DP 10558289 ("the application").

An additional lot is required to be added to the 'site description' in the application being 2 Edgar Street, Lot 12 DP 1095571, land owned by Trustees of the Christian Brothers and occupied by St Patrick's College.

An accessway in the north west corner of Lot 12 DP 1095571 is required to access the proposed north western underground car park, being part of the Concept Plan approval sought for the ACU Strathfield Campus.

We consent to the inclusion of Lot 12 DP 1095571 in the application and the use of part of that lot for access purposes.
