

## CATHOLIC ARCHDIOCESE OF SYDNEY

15 December 2011

Attention: Mr Mark Brown  
Director General  
NSW Department of Planning & Infrastructure  
GPO Box 39  
Sydney NSW 2000

Dear Mr Brown

### **The Australian Catholic University, Strathfield Campus Concept Plan MP10-0231**

I refer to the Concept Plan application for the Australian Catholic University (ACU) Strathfield Campus. The Request for a Part 3A Declaration lodged December 2010 (and accompanying application form) quoted two lots as part of the application – Lot 11 DP 869042 and Lot 12 DP 10558289.

I understand an underground car park is proposed to be constructed beneath the three playing fields shared by ACU and St Patrick's College. I further understand that there have been extensive discussions between ACU and St Patrick's College in recent months in relation to the sharing of costs & future occupation of the proposed underground car park. An accessway in the north west corner of the site is required to access the proposed north western underground car park, part of the Concept Plan approval sought for the ACU Strathfield Campus.

This accessway is to be provided by way of an additional lot to be added to the 'site description' being 2 Edgar Street, Lot 12 DP 1095571, which is owned by the Trustees of the Christian Brothers.

The Catholic Archdiocese of Sydney consents to these modifications to the Strathfield Campus Concept Plan subject, of course, to the concurrence of the Trustees of the Christian Brothers in respect of the inclusion of 2 Edgar Street, Lot 12 DP 1095571 in the application and the use of the land for access purposes.

Yours sincerely

M D Moore  
Financial Controller
