Dear Mr Bright,

I refer to your letter of 16 January 2012 inviting comment from the Office of Environment and Heritage (now Environment Protection Authority) on the concept plan for a mixed use residential building at 71-79 Macquarie Street, Sydney (MP10\_0237).

I advise that EPA has reviewed the relevant documents and has no comment to provide and no further interest in being involved in this matter. Please note that any comments from our Heritage Branch will be provided under separate cover.

If you have any queries regarding this matter please contact Liz Peterson on 9995 6841.

Yours sincerely
