1	Cronulla	Supports	Other	Requests additional information regarding traffic management at local intersections
1	Cronulla	Supports	Other	Requests additional information regarding relocation of junior sports teams
2	Burraneer	Objects	Visual Impact	Proposed heights are above those near railways and in Cronulla. Height should be limited to 3 storeys.
3	Caringbah	Objects	Impact on Traffic Flow and Parking	Area is already subject to traffic problems
3	Caringbah	Objects	Cumulative Impacts	Green Hills development will further exacerbate traffic situation
4	Cronulla	Objects	Impact on Traffic Flow and Parking	Existing traffic flows pose a danger to local students and the general public, the development will worsen this. Cronulla is already congested and it is difficult to find shop parking.
4	Cronulla	Objects	Club's Financial Circumstances	Club's financial problems should not impact on local amenity
5	Cronulla	Objects	Visual Impact	Height is out of character and will have adverse impacts on views.
5	Cronulla	Objects	Impact on Traffic Flow and Parking	Increase in population will have major impact on traffic volumes. Playing fields are a strategic open space facility. Historically provided to the Leagues Club to provide sport and recreational facilities, not residential development.
6	Caringbah	Objects	Loss of Playing Fields	
7	Menai	Supports	Residential Dwellings	Provides opportunity for new people to join a great community. Supermarket will improve competition and provide a diverse range of much needed services.
7	Menai	Supports	Retail Services	
7	Menai	Supports	Family Entertainment Services	Much needed entertainment facility for the Shire.
7	Menai	Supports	Foreshore Park	Foreshore area will protect mangroves and attract visitors. Club provides a significant benefit to local community organisations whose survival rely on its financial support.
7	Menai	Supports	Community Benefits	Local roads are already oversaturated, should not be considered until F6 proceeds.
8	Woolooware	Objects	Impact on Traffic Flow and Parking	Provides much needed retail facilities and services for the community.
9	Balmain East	Supports	Retail Services	
9	Balmain East	Supports	Local Employment and Economy	Provide a lot of local construction and long-term employment
10	Caringbah South	Objects	Visual Impact	Too large for the area and is out of character.
10	Caringbah South	Objects	Impact on Traffic Flow and Parking	Will create additional traffic congestion.
10	Caringbah South	Objects	Cumulative Impacts	Along with Green Hills land release will result in additional demand on community facilities.
11	Not Stated	Objects	Other	There is no need for additional residential or retail development in the area.
11	Not Stated	Objects	Impact on Traffic Flow and Parking	Development will be devastating for local traffic.
11	Not Stated	Objects	Ecological Impacts	Development will be devastating for foreshore of the bay. Provides offers new retail services for local residents, including new Greenhills residents, at a location which is not affected by local congestion in Cronulla and Caringbah.

15	Loftus	Supports	Family Entertainment Services	Caters to local families and will provide a new and fresh leisure facility.
16	Kirawee	Supports	Residential Dwellings	Much needed residential property relief anchored around a new hub to relieve population growth pressures.
16	Kirawee	Supports	Foreshore Park	Will protect existing ecosystem and attract people to a previously underutilised space.
16	Kirawee	Supports	Local Employment and Economy	Create more local jobs.
17	Port Hacking	Supports	Retail Services	Provide new facilities and promote healthy competition.
17	Port Hacking	Supports	Residential Dwellings	Will provide additional housing for young entrants to the local market.
18	Woolooware	Supports	Other	Good location given the lack of neighbours in local proximity, abundance of surrounding green space and good transport.
19	Gymea	Supports	Retail Services	Good new retail facility for local residents.
19	Gymea	Supports	Residential Dwellings	New supply for a very full housing market.
19	Gymea	Supports	Family Entertainment Services	Relieve overcrowding in local family entertainment venues.
19	Gymea	Supports	Game Day Parking and Traffic	Park and Ridwe proposal will disperse existing congestion problems. Sharks organisation is a community icon which provides a good example for healthy living for local youth.
19	Gymea	Supports	Cronulla Sharks Identity	
20	Walcha	Supports	Support (reason not stated)	
21	Sutherland	Supports	Local Employment and Economy	Creation of over 1,000 jobs and stimulates local economic growth.

21	Sutherland	Supports	Residential Dwellings	Provides quality new housing for the Shire.

No.	Suburb or Organisation	Stated Support or Objection	Issue Tag	Issue Description
22	Caringbah	Objects	Residential Dwellings	Density of the development would preclude orderly emergency evacuation.
22	Caringbah	Objects	Impact on Traffic Flow and Parking	Local roads are already narrow and congested.
22	Caringbah	Objects	Club's Financial Circumstances	Financial affairs of the Sharks is not a reason to approve the development.
22	Caringbah	Objects	Cumulative Impacts	Does not want any further development in area.
23	Not Stated	Objects	Visual Impact	Out of character with the area, has been "designed as a bastard child of the oversized and appalling residential towers of Waterloo"
23	Not Stated	Objects	Impact on Traffic Flow and Parking	Lack of parking is inappropriate.
24	Not Stated	Supports	Local Employment and Economy	Much needed construction and retail employment. Provides much needed competition to Westfield and will provide more affordable business rates.
24	Not Stated	Supports	Residential Dwellings	Alleviate a lack of housing in the area and the 'centre' nature of the proposal will enhance a growing sense of community.
24	Not Stated	Supports	Foreshore Park	Provides attractive parkland facilities that ensure the protection of the mangroves.
25	Rosehill	Supports	Local Employment and Economy	Provide much needed employment
25	Rosehill	Supports	Family Entertainment Services	Provides family entertainment and leisure opportunities.
25	Rosehill	Supports	Retail Services	Provides local retail services.
25	Rosehill	Supports	Residential Dwellings	Provides more housing for the area for future generations.
26	Zilzie, QLD	Supports	Residential Dwellings	Good use of the underutilised site.
26	Zilzie, QLD	Supports	Local Employment and Economy	Provides a significant benefit in terms of short-term and long-term employment.
26	Zilzie, QLD	Supports	Foreshore Park	Foreshore Park provides a suitable buffer to ensure environment is protected.
27	Heathcoate	Objects	Impact on Traffic Flow and Parking	Will create a lot of additional traffic congestion.
27	Heathcoate	Objects	Game Day Parking and Traffic	Park and ride proposal will simply spread the congestion to other areas.
27	Heathcoate	Objects	Other	"Despite the intention to include a small services precinct it has the potential to become something of a ghetto with associated social problems"
28	Woolooware	Objects	Game Day Parking and Traffic	Impact on parking and traffic will be substantial.
28	Woolooware	Objects	Visual Impact	16 storeys is too high - 4 storeys is more acceptable.
29	Cronulla	Objects	Impact on Traffic Flow and Parking	Create further congestion during peak hour and create new "rat-runs", will place undue stress on parking around Woolooware Station.
29	Cronulla	Objects	Game Day Parking and Traffic	Parking and traffic management will not work on game days
29	Cronulla	Objects	Club's Financial Circumstances	Development is a result of the Club's financial difficulties and does not consider the amenity for local residents.
29	Cronulla	Objects	Visual Impact	16 storeys is equally as bad as 20 or 30 storeys- the height should be restricted to 7 storeys.
30	Caringbah	Objects	Impact on Traffic Flow and Parking	No equal upgrade in road capacity
30	Caringbah	Objects	Loss of Playing Fields	Loss of fields is contrary to desperate need to increase juniors participation
30	Caringbah	Objects	Visual Impact	Height is totally inappropriate for the area.
31	Cronulla	Supports	Support (reason not stated)	
32	Lennox Head	Supports	Local Employment and Economy	Create a lot of building and employment opportunities for the local community.
32	Lennox Head	Supports	Cronulla Sharks Identity	Maintain the distinctive and nationally recognisable Cronulla identity.
33	Cronulla	Not Stated / Nei	Retail Services	Retail services will be good for the area.
33	Cronulla	Not Stated / Nei	Visual Impact	16 storeys is not in keeping with the landscape of the area.
33	Cronulla	Not Stated / Nei	Loss of Playing Fields	Shire should not be losing more sporting grounds.
34	Taren Point	Objects	Visual Impact	Too tall for the local area.
34	Taren Point	Objects	Impact on Traffic Flow and Parking	Existing road structure is unable to cope with new dwellings.
34	Taren Point	Objects	Other	Proposal will cast a large shadow over nearby recreational facilities.
34	Taren Point	Objects	Other	Proposal will devalue nearby property and increase crime.
