Hi Amy

David asked me to review the PPR against our original submission.

I raised with him that Council's original concerns relating to affordable housing, open space, land use and built form are still valid.

Our team is of the opinion that these original concerns raised by Council's submission in August 2011 have yet to be suitably addressed and request that they be given consideration as part of the PPR assessment and determination.

If you have any further questions please contact me at this email address or call me at 9367 9279.

Regards
Steve

Dear Steve, David,

This is an email to advise that a Preferred Project Report (PPR) has been submitted for the above Concept Plan proposal.

A copy of the Department's letter seeking Council's comments is attached. This letter along with an electronic copy of the PPR is in today's mail.

In the interim, the PPR is also available on the Department's website at the following link:

Please do not hesitate to contact me to discuss.

Kind Regards
Amy
